

universal vent mount™

support universel de grille d'aération | universelle Lüftungshalterung | montaje universal en rejilla de ventilación | supporto universale per bocchette di areazione | montagem respiradouro universal | universele ventilatiemontage | univerzální držák na větrací otvor | univerzálny držiak na vetrací otvor | βάση γενικής χρήσης για γρίλια αερισμού | универсальный автомобильный держатель с креплением на решетку обдува | yleistuuletusventtiiliasennus

ASSEMBLY

- Step 1:** Attach the vent mounting clips to the back of the vent pedestal (**diagram 1**). The vent mounting clips can be positioned with the flat sides facing up or down depending on the design of the vehicle vent.
- Step 2:** Insert the head of the vent beam into the socket on the back side of the cradle (**diagram 2**).
- Step 3:** Connect the T-slot on the vent beam to the T-tab on the pedestal (**diagram 3**).

INSTALLATION

- Step 1:** Find a safe location on the vehicle vent. Gently insert vent pedestal into vent blades until mount clips are attached to the fin/blade of the vent (**diagram 4**).
- Step 2:** Adjust the support leg vertically until it rests firmly along the bottom of the vent or dash surface below the vent.

Mobile Device Installation

- Step 1:** Remove protective film.
- Step 2:** Check Clingo pad for cleanliness and stickiness before each use. Product will fail if the pad is not cleaned properly. See **PROPER CARE & CLEANING** for instructions. Cleaning frequency may vary by environment.
- Step 3:** Wipe dirt and dust from your mobile device and attach it to the Clingo pad. DO NOT attach your mobile device to the Clingo pad if it is protected by a leather or silicone case. The Clingo pad WILL NOT stick to leather or silicone. Make sure the device is placed on the pad so that the battery cover does not slide off.
- Step 4:** Adjust the angle of the cradle to find the optimum hands-free viewing position.

Removing Mobile Device

Gently peel (do not pull) your device off of the Clingo pad from the top edge (diagram 5).

Removal from Vent

- Step 1:** Remove the mounting clips from the pedestal by sliding the mounting clips to the center of the pedestal and pulling them through (**inset diagram 6**).
- Step 2:** Push on the clip mounts until they clear the blade. Pull clip away from blade (**diagram 6**).

PROPER CARE & CLEANING

Proper care and use of the product is necessary to maintain optimum stickiness on Clingo pad.

For Best Results

- Step 1:** Always remove mobile device from Clingo product.
- Step 2:** Run warm water over Clingo pad and use fingers to remove dirt and dust. Hand oils and grease may require the use of mild soap. DO NOT use solvents to clean the Clingo pad.
- Step 3:** Let Clingo pad air dry completely before using. The Clingo pad WILL NOT stick when wet.

For Quick Cleaning

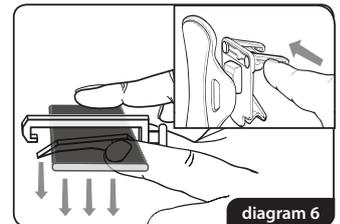

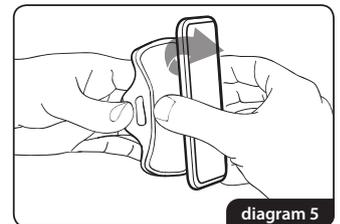

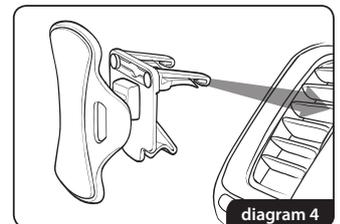

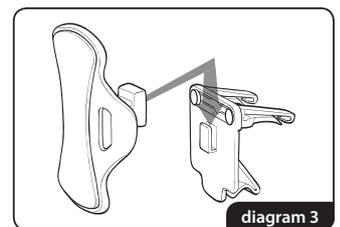

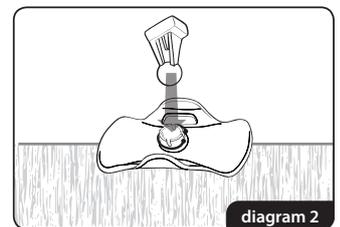

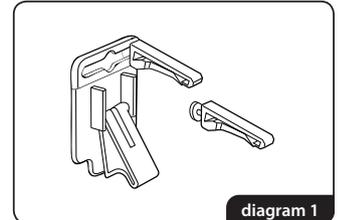

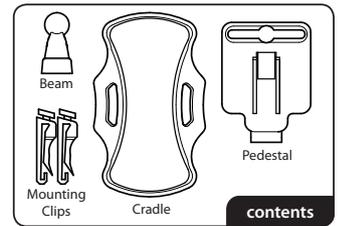

- Step 1:** For quick cleaning, use a damp, lint-free wipe or cloth to remove dust, dirt and oil from Clingo pad (**diagram 7**). DO NOT use any paper products.

CLINGO PAD

The Clingo pad is permanently bonded to the product. Do not attempt to remove the Clingo pad.

Safety Precautions

Do not install Clingo products over an air bag cover or within the air bag deployment zone. Allsop Europe Limited and its subsidiaries assume no responsibility of liability for injury or death as a result of car crashes and/or air bag deployment. Allsop Europe Limited and its subsidiaries are not responsible for any damages caused to your car, your device, or yourself due to installation or use of this product

CAUTION

Use caution when inserting or removing the pedestal or the mobile device from the cradle. Make sure the vent lips are open wide enough to prevent damage to the vent fins/blades.

WARNING

Do not install Clingo products over an air bag cover or within the air bag deployment zone. Do not install Clingo in your essential line of view.
