## SETUP

### Installation

**Step 1:** Remove protective film.

**Step 2:** Check Clingo pad for cleanliness and stickiness before each use. Product will fail if the pad is not cleaned properly. See **PROPER CARE & CLEANING** for instructions. Cleaning frequency may vary by environment.

**Step 3:** Wipe dirt and dust from your mobile device and attach it to the Clingo pad. DO NOT attach your mobile device to the Clingo pad if it is protected by a leather or silicone case. The Clingo pad WILL NOT stick to leather or silicone.

**Step 4:** Place both hands on wheel and game away!!!

### Removing Mobile Device

Gently peel (do not pull) your device off of the Clingo pad from the edge (**diagram 1**).

### PROPER CARE & CLEANING

Proper care and use of the product is necessary to maintain optimum stickiness on Clingo pad.

#### For Best Results

**Step 1:** Remove mobile device from Clingo product.

**Step 2:** Run warm water over Clingo pad and use fingers to remove dirt and dust. Hand oils and grease may require the use of mild soap. DO NOT use solvents to clean the Clingo Pad.

**Step 3:** Let Clingo pad air dry completely before using. The Clingo pad WILL NOT stick when wet.

#### For Quick Cleaning

**Step 1:** For quick cleaning, use a damp, **lint-free** wipe or cloth to remove dust, dirt and oil from Clingo pad (**diagram 2**). DO NOT use any paper products.

### CLINGO PAD

The Clingo pad is permanently bonded to the product. Do not attempt to remove the Clingo pad.
